PENTHOUSE EXECUTIVE SUITE

Welcome to our most private and spectacular suite.

Our Penthouse Executive Suite is our largest suite with a terrace running the full length of the suite. 70-74 m² of space spread over 2 walkthrough rooms, each exquisitely decorated to showcase their architectural individuality. Inside is an elegant dining area and an opulent lounge, guaranteeing relaxation. The centrepiece of the separate bedroom is the magnificent king-size double bed, with luxurious bed linen and pillows. We decorate the suite according to your wishes.

HELICOPTER

Experience Stockholm from above. In our Bankers Experience we of course offer a helicopter sightseeing over Stockholm. This is an exciting helicopter tour with spectacular views where you will pass Djurgården, see the sun shining in Riddarfjärden and on the horizon glimpse the thousands of islands that beautifully spread out in Stockholm's archipelago.
